

Calling Attention By Shri. Ravi Sitaram Naik regarding Construction of Khandepar bridge.

“Fear and anxiety in the mind of people of Goa due to non operational for the commuter of four lane bridge on NH-4A constructed across Khandepar River at Opa without approach road and ramp at Ponda side, after being inaugurated. Thus creates the flood like situation during heavy rains at Khandepar river. The steps the Government intends to take in this regard”.

Ponda side of Khandepar Bridge could not be completed due to land acquisition issues. The land acquisition issue has been resolved recently and the balance work of bridge at a cost of Rs 104.23 cr has been included in the ministry's annual plan for the year 21 - 22 and work will be taken up for execution after sanction by the ministry.

There is no need for the people to have any anxiety or fear as the work will be completed within Stipulated time and govt is committed to get the bridge completed at the earliest.
